**Thank you Sean Anderson a Freemason Gang Stalker for trying to
Open Credit in my name and Drain my Bank Account to near
Overdraft LOL, I resposed back and froze Credit and renewed
Everything LOL, I know SEAN is just a Family Member of mine
LOL, they really are clever aren't they LOL, I'm Done LOL ... ;
Scott Alan Barry is an Atheist Holocaust Denier Dunce ... ;
Gonna Be Homeless, Have Nothing, Loose My Bank Account,
Be kicked out of Banking For the rest of my life, etc ... ;
My other Family Member is Stalking and Harassing me
Every Single Day and Night and does not want to be
recorded in the Act of Doing So No Mpegs he Says ... ;
This other Family Member Browser Jacks my Internet,
I reconnect the WiFi , then the site finally loads LOL,
just some Kali Kiddie using Wireshark to Stalk me LOL ... ;
No it was just a video I liked Not a Comment, I thumbed
up The Fullerton Informer and you disliked it Twelve Times
through your bot computer giving it only a One Point Three
Percent Like to Dislike Ratio LOL, you think you can hijack
a video and give it Fifty Percent Dislikes when Eight Hundred
Plus People Liked the Damn Video, and the Day to Day and
Night to Night Harassment plus Stalking is Annoying ... ;
So they said they would shut down my bank account, disown
me, make me homeless, other things to me, force me to talk
when I can plead the fifth and ignore the day to day harassment
and other nonsense, Post an SF-24 Bid Bond and other things,
they only admit patients if they say stuff, if they plead the fifth
nothing much will happen, only thing that ever happened when
I did plead the fifth mentioned in Constitution was I had a cop
threaten to bash my brains with the handle of a gun in the
Psychiatric Unit LOL, and you people just make me laugh LOL,**

also you really think you're that powerful to stalk and harass people all hours of the day seven days a week and keep a Freemasonic Oath with the Communist Zersetzung Government aka Jewish Stasi LOL, you all suck and you know it, I'm glad my family disowned me, you still believe in those Eighty Plus Years of WWII Lies and fail to understand what Usurious or Usury is in our Central Banking system, because you never read books and you watch too much television, Usury is the biggest Sin of Sins that even Hitler opposed in his Theological Doctrine, you guys are making me laugh and I will have to accept that you are trying to force me to become Homeless and lose my bank account and BTW I have Akathisia and Restless Leg Syndrome, that is why I pace LOL it's called Psychiatric Drugs I take to get off of Jury Duty LOL, BTW that was a Video Not a Comment, you got it wrong on the Wireshark Scan you did LOL, you Freemasons Sell Steroids and Meth to the General Population LOL, and your Network Attack Browser Jack was stopped by Re-Connecting the WiFi and Spoofing the Mac Address Again on Any Live OS that erases itself upon every single reboot LOL ... ; Kali Kiddies My Ass, Noobs My Ass, you are wasting all this time to stalk and harass random people you know nothing about LOL ... ; Also we kind of blended in, here is my dad's GAB ... ;

<https://gab.com/sbaud> ;

<https://gab.com/sbaud13> ;

Lastly Here is My Gab ... ;

<https://gab.com/flushyourmeds> ;

You people simply are Narcissists who hate being recorded and only want to go by a Freemasonic Oath to Stalk and harass 24/7/365 and you are literally

as Gay as Shane and Bran for stalking another Man LOL you Wanker ... ;

I will continue this shit at the Public Library as a Homeless Man on an LGG4 DEGOOGLED FDROID ALLBLOCK AN PASSWORD ... ;

I sent to the PO BOX I rented LOL, you really think you have it all to stalk and harass me all day and night when I could literally ignore all of the Passive Aggressive Narcissistic Shit and Plead the Fifth and then Post Request an SF-24 Bid Bond and then keep pleading the fifth until the cops bash my brains like they did or were about to during my psychiatric eval and yeah, cops were about to bash my brains with a gun on the way to the hospital, plus I'm white so yeah, race is a non-issue, and why they were gonna

bash my brains was because I was white and pleading the fifth which is mentioned in the US Constitution of the USA LOL, and you traitors do not

even understand the First Amendment and want to censor and scrub off the Internet which is basically the good press, I was being Cooked with Directed Energy Weapons and getting Voice To Skull and Ignoring all your Bull Crap and will continue to ignore all your passive aggressive harassment Narcissitc Big EGO bull crap until the day I die, and if I have to kill myself suicide by cop over pleading the fifth too much and getting my brains bashed with a gun over a mental evaluation which BTW almost did happen I will do so, Psychiatry is so much of a Pseudoscience Fraud that if you plead the fifth during a Psych EVAL the cops will come and threaten to bash your brains with a gun if you do not speak up LOL, that really shows you something along with the neglect for days, hot rooms, cold rooms, and diesel therapy, in real prison they cut off your genitals, tie you to a chair and cattle prod you non stop whilst macing you with restraints and I am referring to most american jails as whistleblowers already know this and it goes against the geneva convention, yet all american prisons are exactly like this going against basic title eighteen and you can see videos of all this, USA is no longer land of the Free and Home of the Brave it became a Corporation in 1871 and was always and still is a British Crown Colony, your rights do not actually exist, you people are brainwashed and full of shit about everything, Hitler got Germany out of a Banking Debt and that is the only crime he ever committed, He fixed Germany and got it out of poverty and was no way responsible for starting WWII that was actually the Communists Jews and Jewish Bankers that funded both WWI and WWII so you brainwashing lemmings stay in your own crowd of Ignorance is bliss LOL, and you realize it's all about Usury in the Banks right so you fail on that point too, and then Israel, Zionism, Jews, Mossad, ADL, B'nai B'rith, Freemasonry is responsible

for Censoring the Press and Internet and we all know this, so for that I am done with
all of you, Martains destroyed this planet as Kyle Odom Claims in his Manifesto and
you people fail to acknowledge the Jewish Supremacy that David Duke even talks
about and listen to your lemming TV telling you to Ignore David Duke LOL you
people are all GOOFs and even Tarl Warwick Styxhexenhammer666 said Society
is Bullshit in a video he made so you can keep up with this crap, so yeah, I will
have my family disowning me soon, I will loose all bank accounts and be kicked
out of banking, I will become Homeless, and will continue with
